

# Do You Suppose?

(Tune: Oats, Peas, Bean)

Lyrics: Lucy Lane Art: GraphicGarden.com

Do you suppose the elephant knows,  
The elephant knows he grows a nose,  
He grows a nose like a garden hose?  
Do you suppose the elephant knows?

## The Elephant Knows

The elephant knows  
He grows a nose  
That's longer  
Than any other.

Do you suppose  
He blows his nose  
To make us  
Run for cover?
