Springtime Sings!

Cherry Carl

The world is green as green can be.
Or so it seems to be to me!
I hear and smell the springtime grow,
And see it in each new rainbow.
Bumblebees hum to butterflies,
While grasshoppers jump up to the skies.
Bluebirds build their nests above
And lay their eggs with Mother's love.
Anthills rise above the ground
And ladybugs fly around and around.
The sunshine turns to skies of gray
As a gentle rainstorm comes our way.
Splash in the puddles left from the rain!
Springtime sings her song again!

Spread, Sprinkle, Sprout

(Tune: She'll Be Comin' Round the Mtn)

Build a garden when the spring is in the air.

Plant the seeds and spread the dirt out everywhere.

Sprinkle water every morning.

Watch for weeds that give no warning.

Just be sure to give your garden lots of care.

Soon you'll see the tiny plants begin to sprout.

Take a spade and dig those spreading weeds right out!

Spray some water on each row.

Now stand back and watch them grow,

And you'll have a flower garden, there's no doubt!
