

# take a hike

Cherry Carl, 2008  
(Tune: Polly Wolly Doodle)

Oh I go to the woods,  
And I take a long hike,  
Singing Left, Right, Louie all the day.

The woods are such a special place  
To hike about the live long day.

Take a hike! Take a hike!

And be sure to lift those knees!

If you take a hike today and you stop along the way,  
You can see and smell the piney trees.
