

## The Peter Rabbit Scrunch (Note to the teacher)

This poem/song is part of Lucy Jensen's Peter Rabbit Operetta. There are other songs and a script that your children might enjoy performing.

Before doing the Story Comprehension packet, I would suggest reading the original story, The Tale of Peter Rabbit, by Beatrix Potter to provide background knowledge. You may want to compare the story to the poem and do a Venn diagram with the class.

There are other materials available for this song (original artwork, masks, and guitar chords, etc.) in addition to the other songs for the operetta. Please see Drama Drive for the rest of the songs and the operetta.
