

Carrots

We love to eat carrots.
They're crunchy and sweet.
We love to eat carrots . . .
Our favorite treat!

Munchy Carrots

Munchy carrots in the summer,
Munchy carrots, orange and sweet,
Munchy carrots for my lunch,
Munchy carrots . . . crunch, crunch, crunch!

Munchy carrots, munchy carrots,
That is all I want to eat.
Munchy carrots, munchy carrots,
Munchy carrots can't be beat!
