

# Crunch! Crunch! Crunch!

Cherry Carl

Let's have some tacos!  
Crunch! Crunch! Crunch!  
Crunchy, munchy tacos  
For our lunch!

Fill it up with cooked meat.  
Tomatoes, if you please.  
Sprinkle in some lettuce.  
And toss on the cheese.

Now, when you eat your tacos,  
You'll crunch, crunch, crunch.  
But if you are not careful,  
You will spill your lunch!
