

On Top of My Burger

(Tune: On Top of Old Smokey)

Lyrics: Cherry Carl

*On top of my burger,
Put plenty of cheese,
And ketchup and mustard . . .
But no onions, please!*

*I wouldn't mind pickles,
And bacon by threes.
But I do want my burgers
With no onions, please!*

*Put on the tomatoes
And lettuce galore,
But hold all the onions . . .
I've said it before!*
